

## COMMUNITY WORKSHOP

### I-66 Westbound Spot Improvement Design Study

#### Arlington & Fairfax Counties

---

Tuesday, **January 23, 2007**, 7:00 p.m. – 8:30 p.m.

Washington-Lee High School (Cafeteria)

1300 N. Quincy Street, Arlington, VA

*The school is located on the corner of Washington Blvd. and N. Quincy Street. Park on the parking deck and use the pedestrian bridge that connects the parking lot to the building at Entrance #7. The nearest Metro station is Ballston-MU.*

(In the event of inclement weather, the workshop will be held on Monday, January 29, 2007. Please call the INFO line at 1-888-643-3266 to confirm.)

**Idea-66** is moving from a feasibility study to a spot improvement design study. The Virginia Department of Transportation (VDOT) and the Federal Highway Administration are holding a workshop to provide an update on the study and listen to the public's suggestions and concerns.

**Come and participate** in the public workshop and provide your comments and ideas. The meeting will begin with a brief presentation, then break into small networks of conversations to foster collaborative thinking and learning.

**Visit the study Web site:** [www.idea66.com](http://www.idea66.com) or call the Toll Free INFO line (1-888-643-3266) for more information.

*VDOT ensures nondiscrimination and equal employment in all programs and activities in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency call (703) 383-2000 or Toll Free (888) 383-VDOT (TTY users, call 711).
